INTERESTS

I have a young family that keeps me busy! Weekends will find me trekking the Mendips with my dog, coaching my sons' rugby team, and watching my daughters play football. I also spend time catching up with my wider reading for the MSc in Planning and Urban Leadership that I am undertaking.

WORK EXPERIENCE

Dowlas Property Group | Director/Owner

November 2019– Present

A multi-disciplinary land and property consultancy company. Delivering bespoke project management of new build development, and repurposing (including refurbishment) of existing buildings.

Weston Gateway Business Park | Director/ Owner

January 2012– Present

Commercial and Residential Land and Property development business. I have led projects that range in value between £500K- £11million as well as enabling all supporting infrastructure works.

Consultancy Roles | Technical Director

July 2016– Present

Management Consultancy commissions supporting local authorities with a variety of projects. Have led and supported successful LUF bids, Brown land release funding applications and asset realisation reports.
